CONCRETE PUMP SPARE PARTS

INDUSTRIAL SPARE PARTS

Introduction

Stark Company is a global supplier of high-performance spare parts for concrete pumps, construction machinery, and industrial equipment.

With a wide product range compatible with Schwing, Putzmeister, Cifa, Sermak and other major brands, we deliver reliable parts that keep your machines running efficiently.

Our commitment to quality and innovation ensures durability, precision, and operational continuity for professionals worldwide.

OUR SPARE PARTS POWER YOUR MACHINERY

About Us

Stark Company is a global supplier of premium spare parts for concrete pumps, construction machinery, and industrial equipment. With years of industry expertise and a solution-oriented approach, we are committed to delivering components that meet the highest standards of quality and performance.

Our product portfolio includes a wide range of parts compatible with leading brands such as Schwing, Putzmeister, Cifa, and Sermak. Each item is designed for maximum durability, precise fitting, and long-term reliability under heavy-duty conditions.

We understand the critical nature of uptime in construction and industrial operations. That's why we focus on fast delivery, consistent stock availability, and technical support to keep your business moving forward.

As a brand that values innovation, trust, and global collaboration, Stark Company continues to grow its presence in international markets—helping customers reduce downtime, improve efficiency, and extend the life of their machinery.
